**Jupiter transits from Mithun (Gemini) to Karkataka (Cancer)**

### Core Significances of Guru Transit are:

- ◆ This transit brings mental clarity, higher knowledge, and spiritual awakening.
- ◆ Jupiter is considered the most benefic planet. Its transit determines the timing of major life events such as marriages, business ventures, and childbirth.
- ◆ This movement activates positive past karma, bringing sudden opportunities, wealth, and legal resolutions.
- ◆ The transit represents the flow of divine blessings (Guru Kripa) into specific areas of life depending on your moon sign.
